Group Exercise Class Descriptions

Cardio Class / * Strength Class

****Active and Strong** This class utilizes basic choreographed moves to upbeat music. Participants can take part standing or in a chair. Free weights, a small ball and elastic tubing are used to improve strength. Balance and flexibility elements are also included.

***Barre None** Fusion of ballet, Pilates and Yoga. Lengthen and tone using hand weights, small ball and body weight. Focus is on alignment, posture and core strength.

***Butts and Guts** focus on core strength. Pilates and yoga-based moves, along with traditional abdominal exercises, to get needed results.

***Forever Strong** This program is designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a small inflatable ball are offered for resistance. A chair is used for seated and/or standing support.

****Cardio Circuit** is a low to mid impact total body cardio and strength conditioning class. Three segments of work. Two blocks of low to mid impact cardio and one block of strength to tone and improve endurance. Class ends with core and stretching.

****High Fitness** Think Old School Aerobics made Modern. Cardio and toning meets Jane Fonda with a side of Richard Simmons. You will have a blast, see real results both physically and mentally, and leave this class wanting more because it's so much fun!

****Kickboxing** High Energy cardio-kickboxing is followed by weights and abdominal work. Kick, punch and tone your way to a stronger you!

***Les Mills Body Pump®** is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts, and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for – and fast!

***Les Mills Body Pump 30®** original barbell class that shapes, tones, and strengthens your entire body. This 30-minute addictive workout challenges all of your major muscle groups by using the best weight room exercises such as squats, presses, lifts, and curls.

***Moving for Life**

Scientifically based self-care fitness program with gentle warm-ups, light aerobics, and strengthening.

Classes can be done seated or standing and are designed to increase energy, cardio fitness, and muscle strength, improve range of motion, balance, and mood, boost the immune system and ease joint pain.

This class is for anyone who prefers a seated workout, is recovering from an injury or is challenged by illness or mobility restriction.

***Pilates** Strengthen and lengthen core muscles through controlled movement and breath. Improve balance, flexibility, and body awareness. Bring a towel.

****Step** Cardio routines followed by use of free weights, core and stretching.

***Strength Training** 30 minutes of strengthening and toning. Dumbbells, stability balls and tubes are used.

* Surge Fit is the energizing HIIT workout that will get you results fast! High intensity cardio tracks that push fat-burning systems into high gear are intertwined with targeted high rep strength training tracks, using dumbbells, that shape and define your body for maximum. Popular music driven highs and lows combined with a motivating group atmosphere will get your heart rate and muscles surging to push you to your personal best. Feel the surge!

****Workout with Marisa** 30-minute class that combines and alternates between cardio with strength in intervals.

***Yoga** Strengthen and lengthen core muscles through controlled movement and breath. Improve balance, flexibility, and body awareness.

#ZUMBA® Zumba® fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic fitness program that will blow you away.
