REGIONAL YMCA WATER EXERCISE DESCRIPTIONS

You must register through Daxko to get access to these classes.

Main Pool Classes

Cardio and Strength - Intermediate (Shallow only)

An intermediate level class. Emphasis on core strength, range of motion and toning of the body by performing high intensity exercises in both deep & shallow water.

Deep and Shallow Water Aerobics - Beginner, Intermediate & Advanced

Focus is on cardiovascular fitness, overall strengthening, toning and range of motion. Emphasis on core strength, range of motion and toning of the body by performing high intensity exercises in both deep & shallow water, utilizing noodles and barbells. Must be able to swim

Deep Water Motion - Advanced

Focus is on cardiovascular fitness, overall strengthening, toning and range of motion. Emphasis on core strength, range of motion and toning of the body by performing high intensity exercises in both deep & shallow water, utilizing noodles and barbells. Must be able to swim.

Non-Impact Water Aerobics – Beginner

Class designed for the fitness needs of beginners, those recovering from surgery or stroke, those with MS &/or anyone seeking low-impact class. Held in shallow-end of lap pool using exercise equipment for all-over body toning, improved balance & flexibility, and stimulation of circulation.

Power Workout – Advanced

One hour of intense deep & shallow water exercise, helping make you more flexible and fit. Emphasis on core strength, range of motion and toning of the body by performing high intensity exercises in both deep & shallow water. Must be able to swim.

Water Workout - Intermediate

An energized workout with non-stop movements of cardio and muscle conditioning. Using water to exercise muscles through resistance and buoyancy to improve cardio fitness, strength, and flexibility.

Therapy Pool Classes

Toning and Flexibility – Beginner

Low intensity shallow water exercise with the use of noodles and barbells. Focus is on core strength, range of motion and an overall toning of the body

Water Yoga - Beginner

Aqua yoga is a restorative form of yoga that adapts the postures and principles of yoga, including breathing and mindfulness, to the warm water therapy pool. Aqua yoga helps you improve your physical strength, flexibility, posture, body awareness and stress reduction.

Work the Water - Beginner

Low intensity shallow water exercise with the use of noodles and barbells. Focus is on core strength, range of motion and an overall toning of the body.
